

MISSION

The mission of the danielle designz company is for everyone to walk away happy with their photos and videos, making them affordable and available to everyone.

VISION

The vision that we have here at danielledesignz is that if the customer walks away happy, we are happy. Helping people achieve their dream photos and / or videos is extremely rewarding and what we look forward to do for you.

ABOUT ME

Hello, my name is Danielle Doucet and I am a student in the Algonquin College Interactive Media Design program.

In highschool I took the photography courses and the com tech courses which gave me a good understanding and it was something I wanted to continue doing.

WHY I STARTED

Doing photography and videography is something that I enjoy doing and I would like to be able to share that with other people and help them create and capture moments.

PHOTOGRAPHY

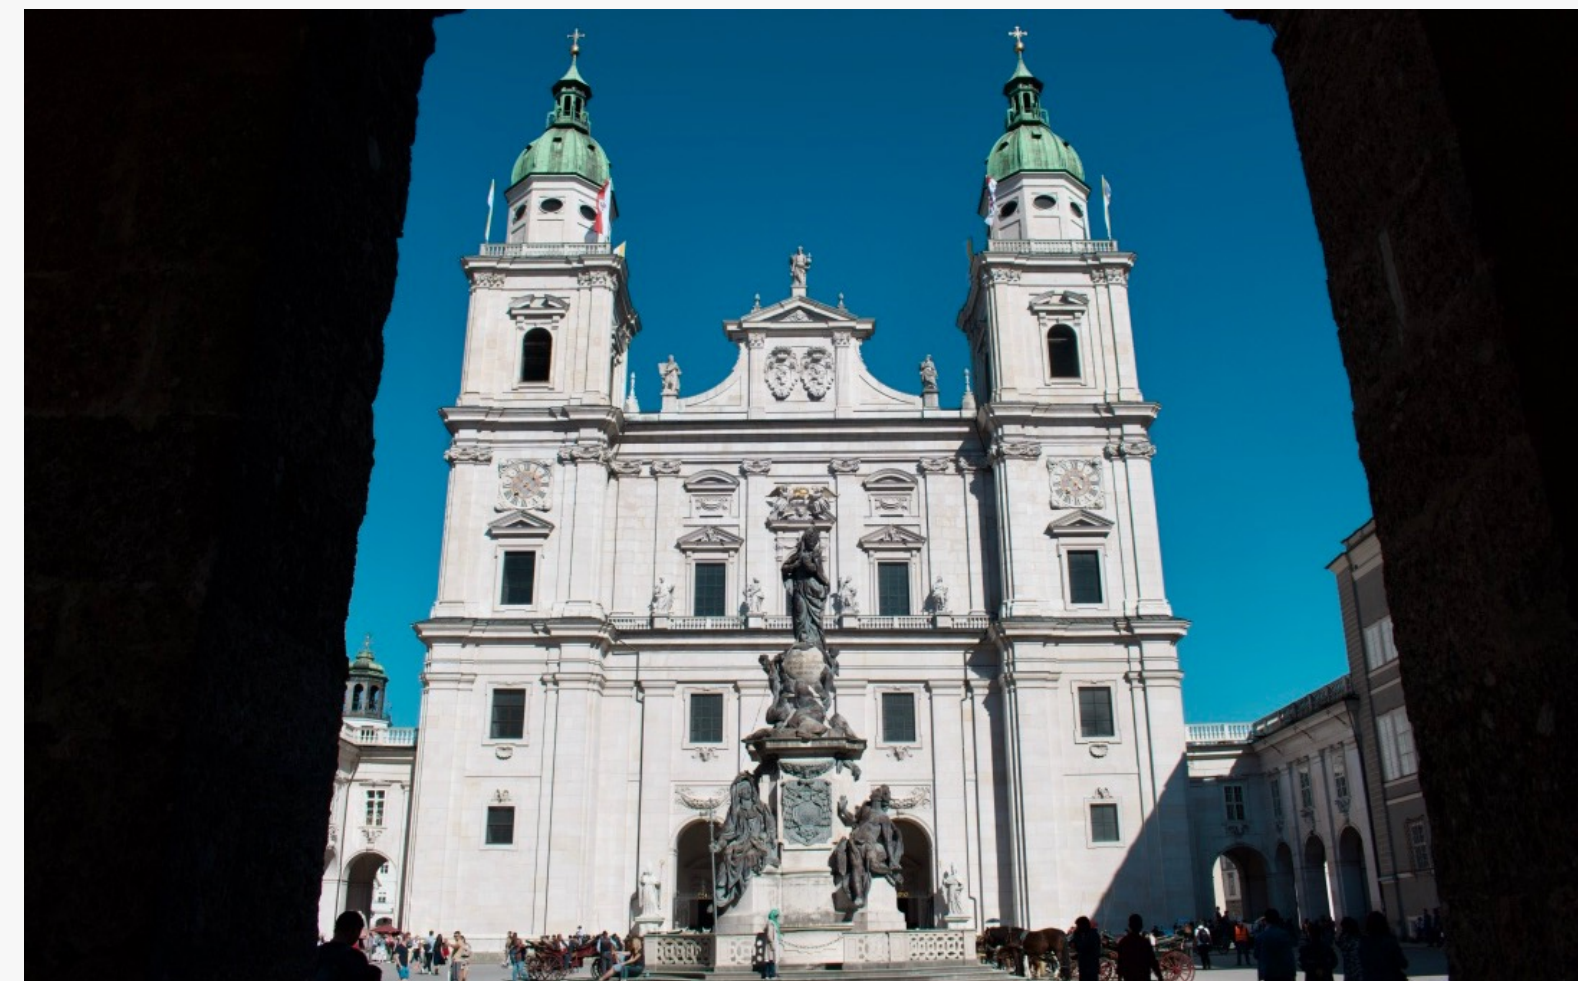

In need of head shots? Or just photos? You have come to the right place. We love taking pictures and using our creativity to create memorable pictures.

For pricing and our availability feel free to message us!!

VIDEOGRAPHY

Do you want to capture and remember a moment? The best way to do so is capture video from the event and let it tell a story...

For pricing and our availability feel free to message us!!

PRINTS FOR SALE

Sometimes photos do not need to have a memory attached and you may just like them and want to show them off.
